

POSITION OPENING

Medicolegal Death Investigator
Forensic Medical Management Services
Location: Nashville, TN
www.forensicmed.com

Full time, Non-exempt
Second and Third Shifts, rotating weekends
Occasional coverage for other shifts, on call, training, etc.

Position Summary:

Must be able to communicate effectively, both verbally and written. Requires knowledge of laws and standards of medicolegal investigation, anatomy, physiology, medical terminology, and forensic pathology. Certification from the American Board of Medicolegal Death Investigators is required within one year of hire. Must be able to work in a fast-paced, team oriented environment.

Job Duties

Under the supervision of the Director of Investigations, the Death Investigator initiates and conducts death investigations for the Medical Examiner's Office. This position's responsibilities include: fielding phone calls to the Medical Examiner's Office reporting deaths and determining jurisdiction of the case; gathering specific case data and information, with heavy database entry; responding to and conducting scene investigations as required; responsible for preservation of evidence and decedent's personal effects; authorizing and initiating transport of decedents' remains; preparing comprehensive case reports; assisting with the identification of remains; liaising with families, law enforcement, medical personnel, and funeral homes; requesting and reviewing records; testifying in court on occasion. Must be proficient in digital photography; Must be able to adapt quickly to sometimes potentially volatile situations due to high emotions of the grieving process.

Education/Experience required

Master's Degree in related field or Bachelor's Degree with three years' acceptable and proven experience in death investigation, or Paramedic/EMT licensure and proven experience in death investigation/field work.

The ideal candidate will have a background in forensic anthropology, EMS, or law enforcement; or will have experience conducting death-related investigations and/or assisting in forensic autopsies.

Special Requirements

The selected applicants must pass a criminal background check, drug test and must possess a valid driver's license. Must be able to pass a performance evaluation physical conducted by a third party provider. Must be able to work a flexible schedule in order to meet the needs of the department.

Company Profile

Forensic Medical is a full service forensic pathology group, headquartered in Nashville Tennessee, providing medical examiner services, including death investigation, forensic autopsies, expert forensic testimony, and forensic management services for over 50 Counties in Tennessee.
