

POSITION: Full-time Faculty – Instructor or Assistant Professor Tenure Track
Beginning August 2015 at Marian University, Fond du Lac, Wisconsin

SCHOOL: Arts & Sciences

PROGRAM: Forensic Science

RESPONSIBILITIES: Teach Forensic Science courses and serve as department chair of program. Normal teaching load is 12 credits per semester. Additional responsibilities include academic advising; supervising senior research and internship placements; and department, school and university-wide service and committee work.

QUALIFICATIONS: Minimum of a Master's or professional degree appropriate for a forensic science program, and at least three years relevant experience as a forensic-science practitioner in an operational forensic science laboratory setting (the three years not including any training period); OR earned doctorate in an appropriate discipline, and three years experience as an academic forensic scientist that includes appropriate educational, research, and service contributions to forensic science. Documented management experience appropriate to the duties assigned to the position.

APPLICATION DEADLINE: For consideration, please view the job posting under Employment Opportunities on the Marian University website, and apply via the link provided below. Submit a letter of interest, curriculum vita, copies of transcripts, three letters of reference, and statement of teaching and research interests by May 26, 2015.

*Developing potential, and enriching lives through teaching and learning –
united in service for a just and humane world.*

*Marian University is a community committed to learning, dedicated to service
and social justice and joined together by spiritual traditions.*

EQUAL OPPORTUNITY EMPLOYER
Strongly Committed to Diversity

Any offer of employment will be contingent upon the receipt of criminal background and reference check information; and the determination that the candidate remains eligible and suitable for employment.
